

# User Manual

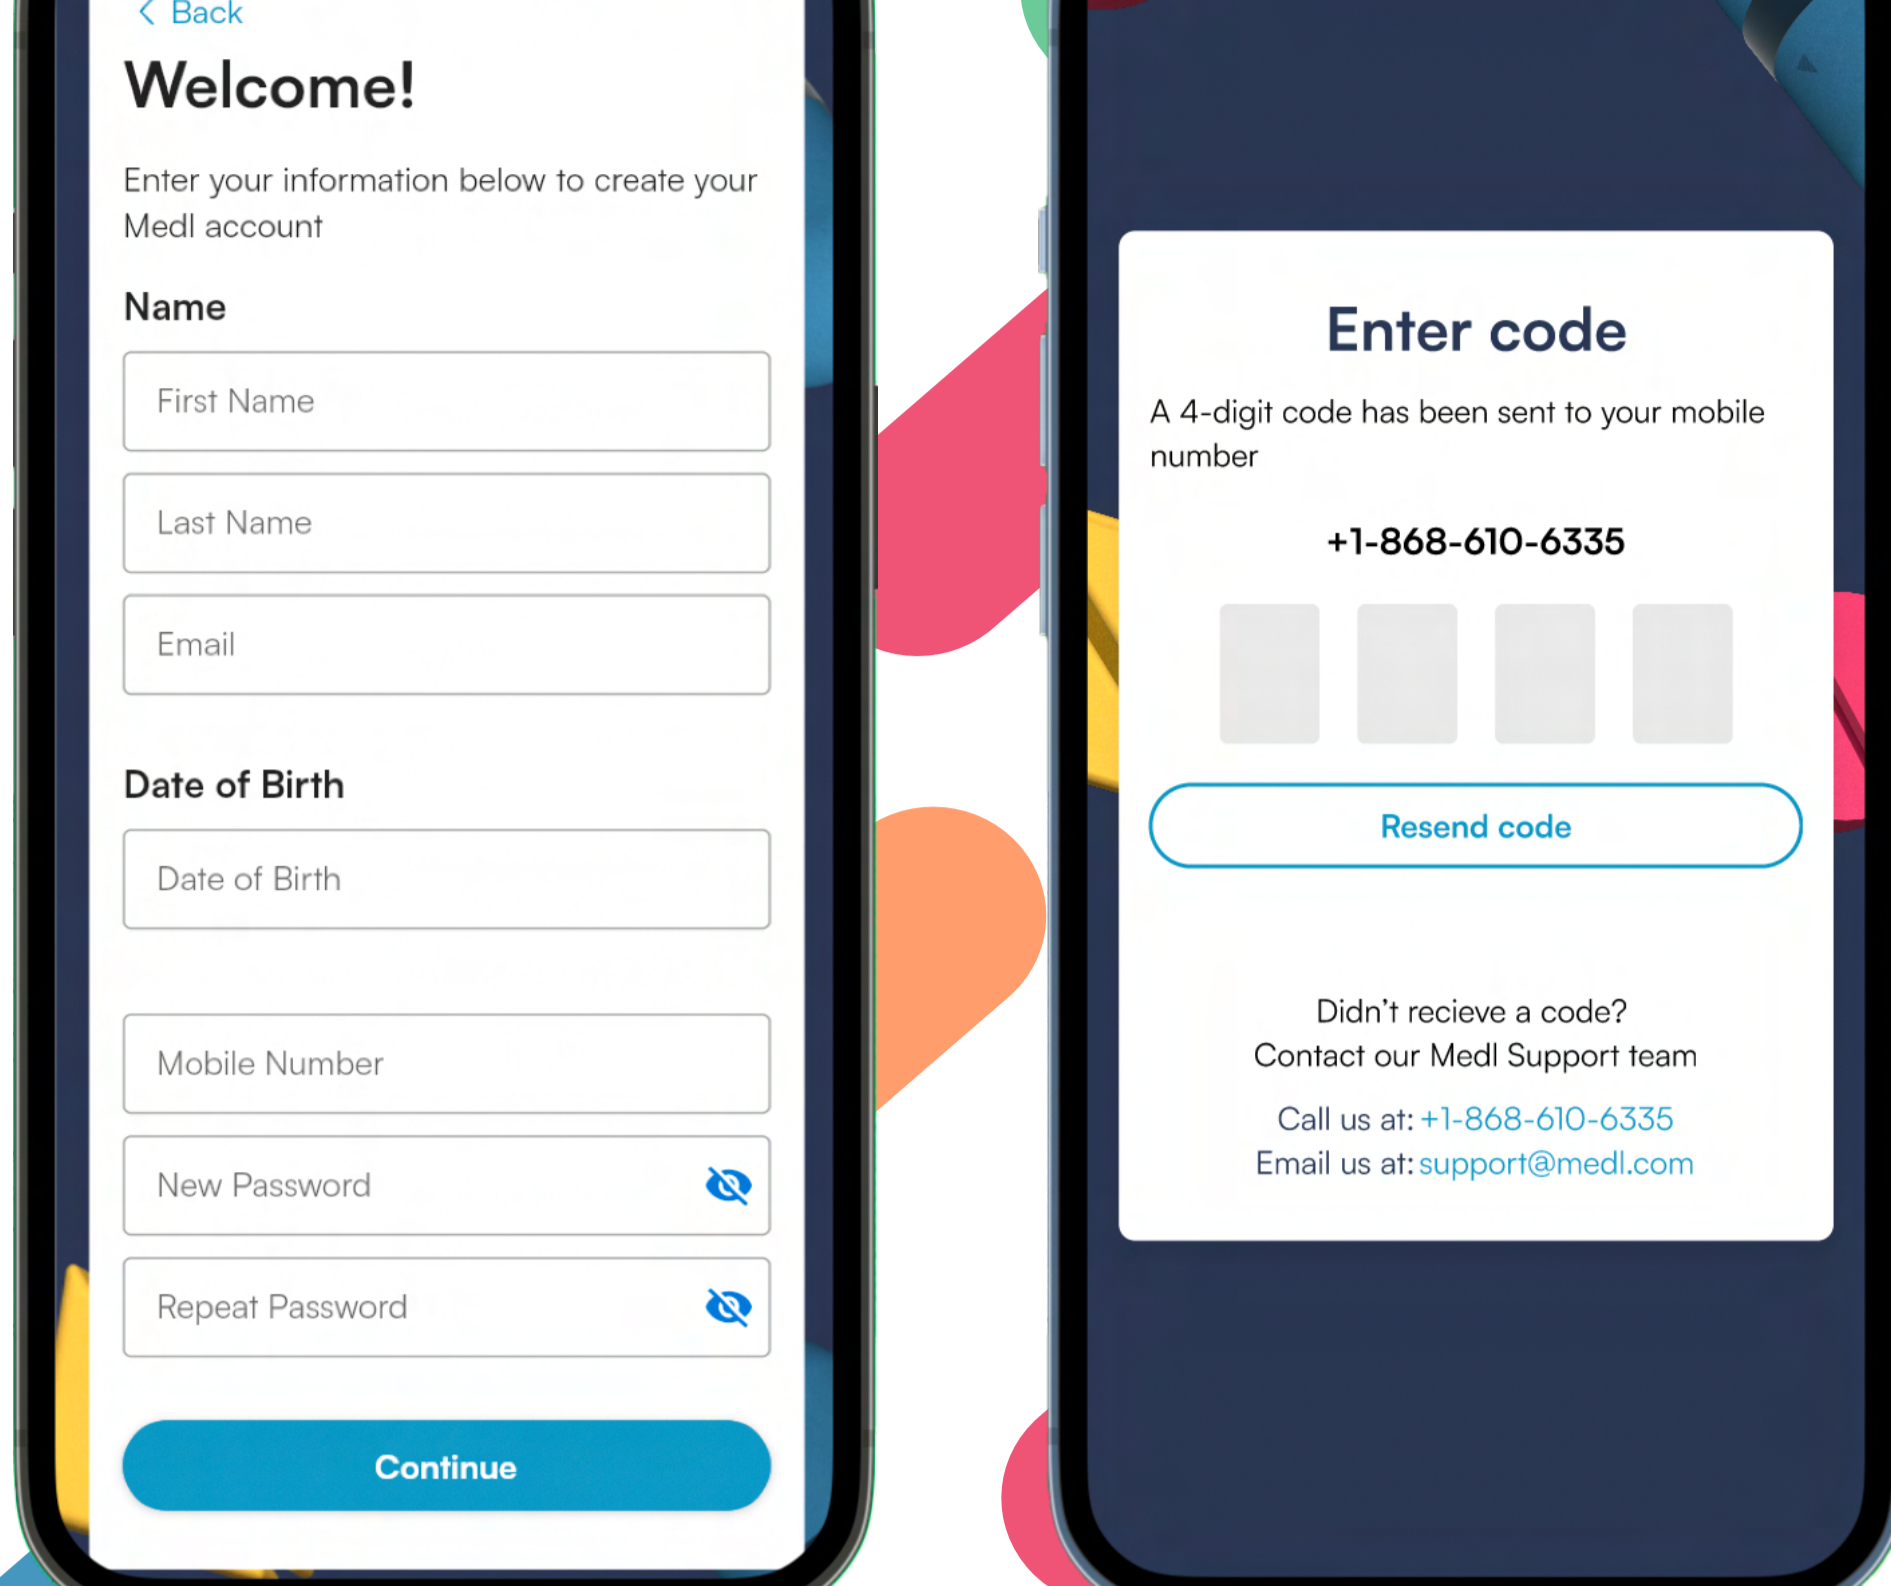

Your pharmacy  
at your fingertips.

## Sign up

Signing up with Medl is easy!  
Simply enter your:

- Name
- Date of Birth
- Mobile Number
- Password

After you verify your mobile number, you're all set  
to manage your prescriptions with Medl.

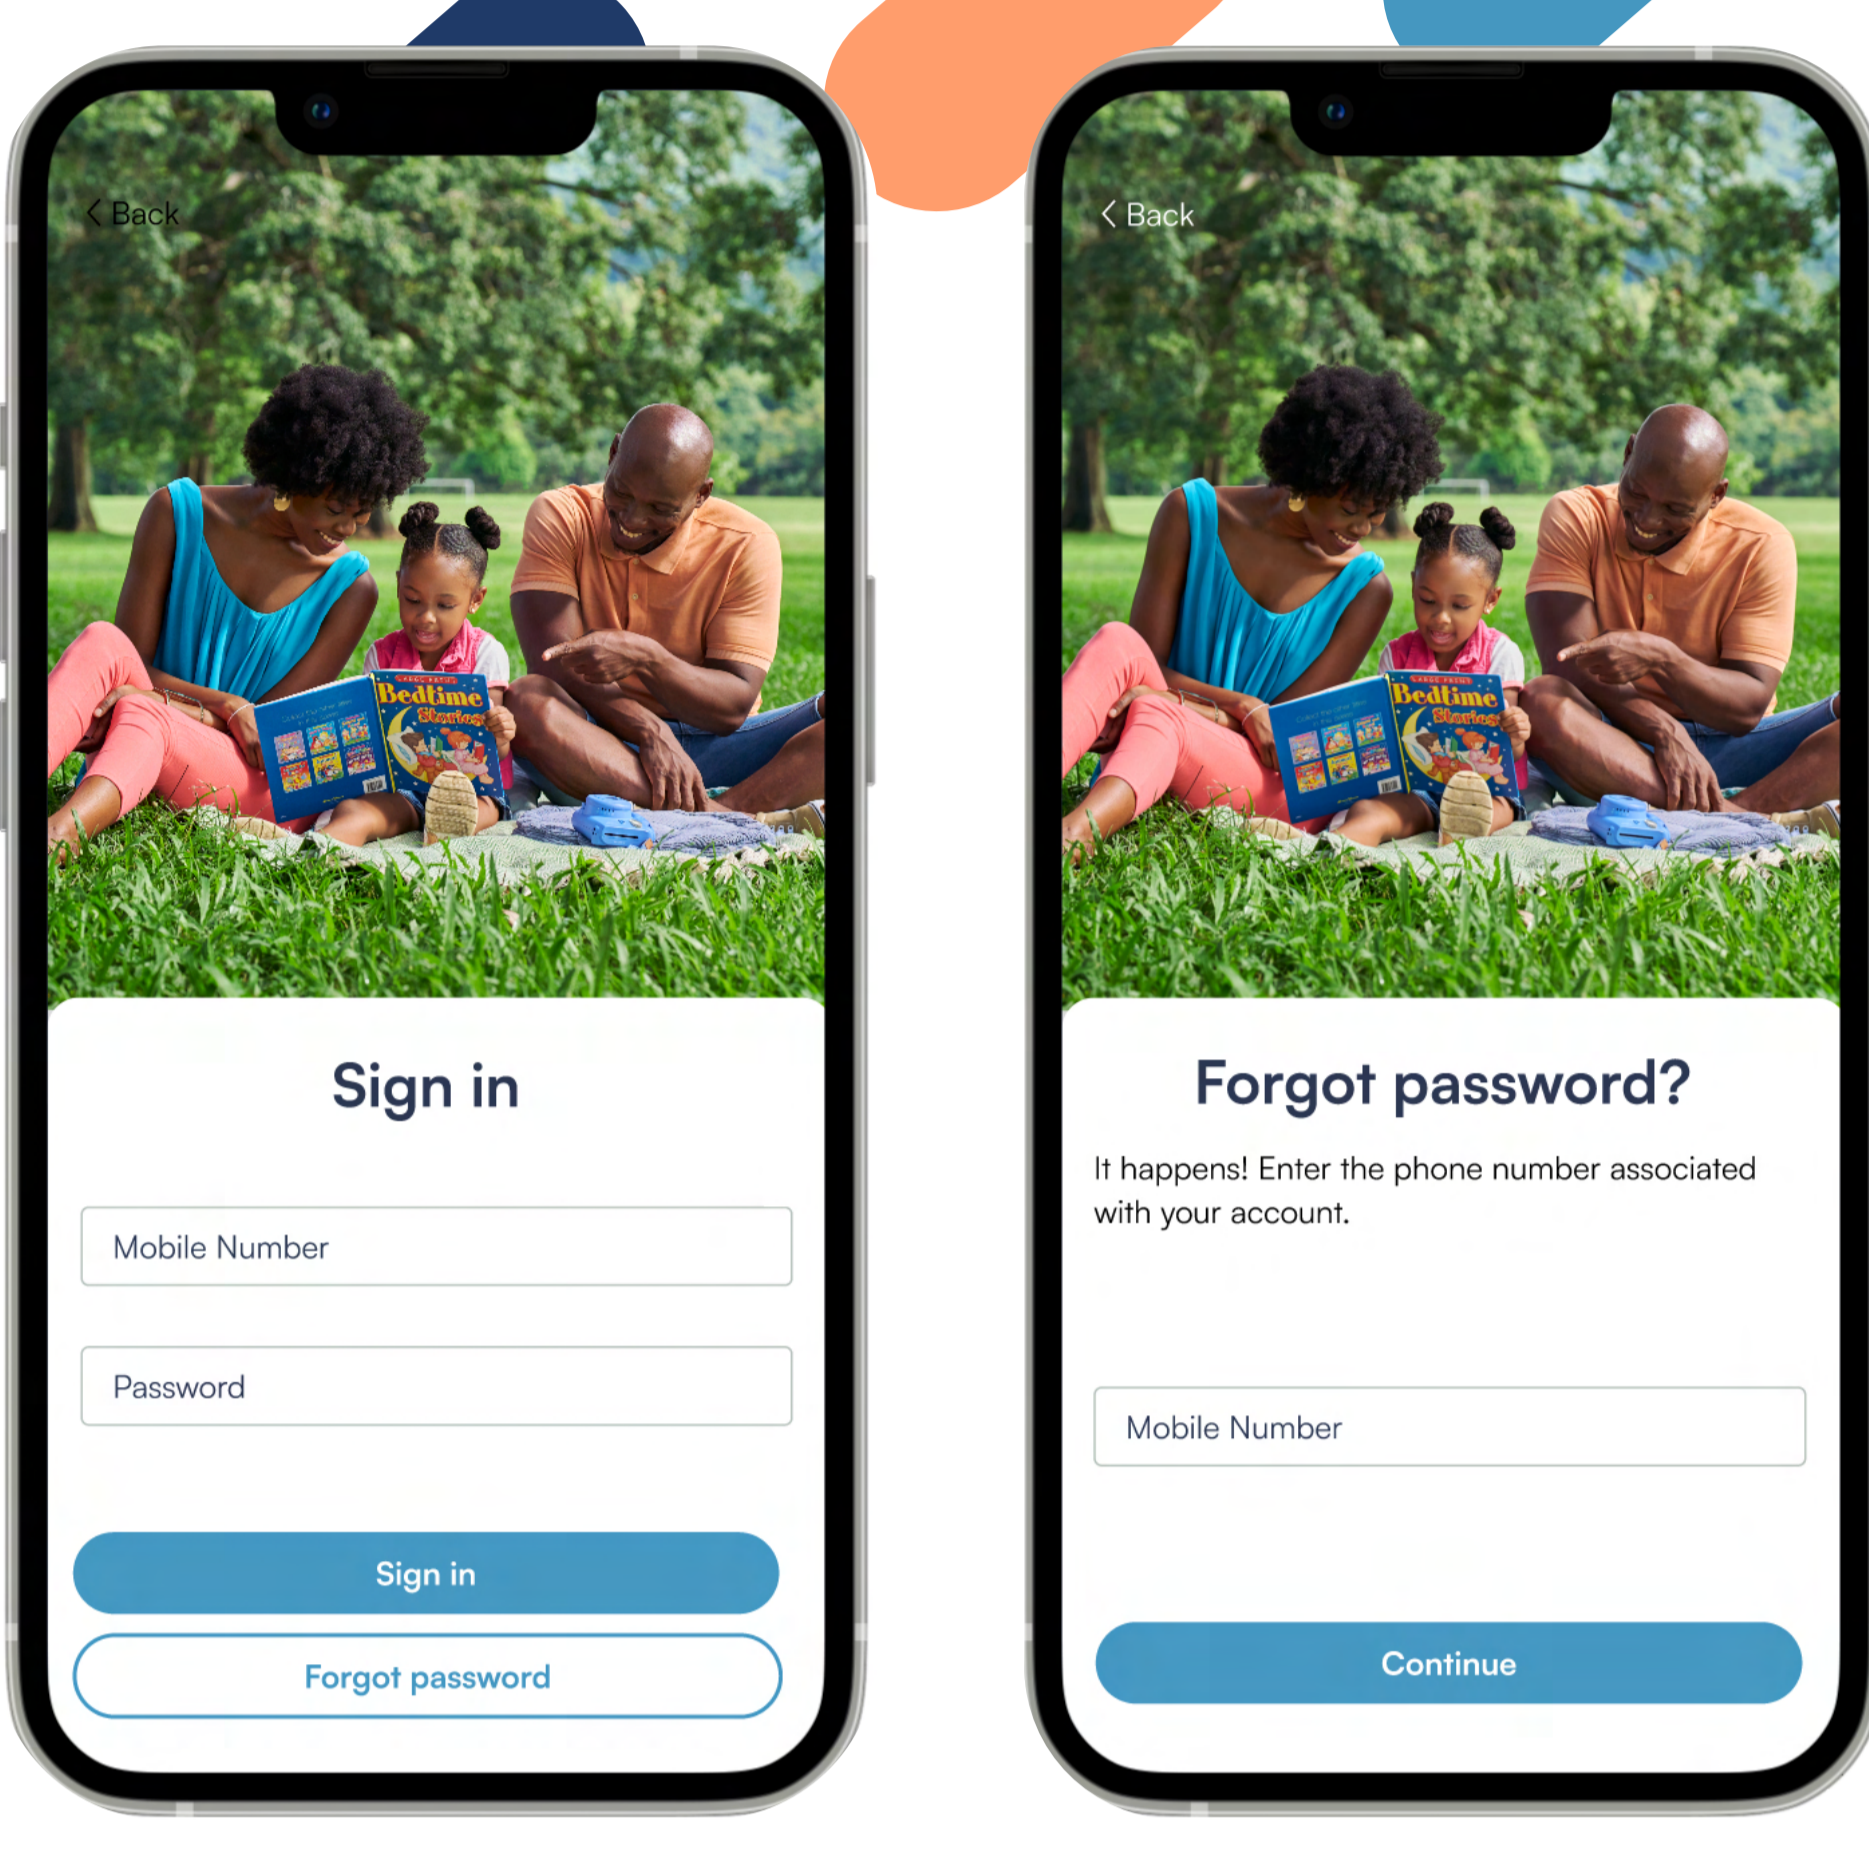

## Sign in

To sign in, enter your mobile number  
and password.

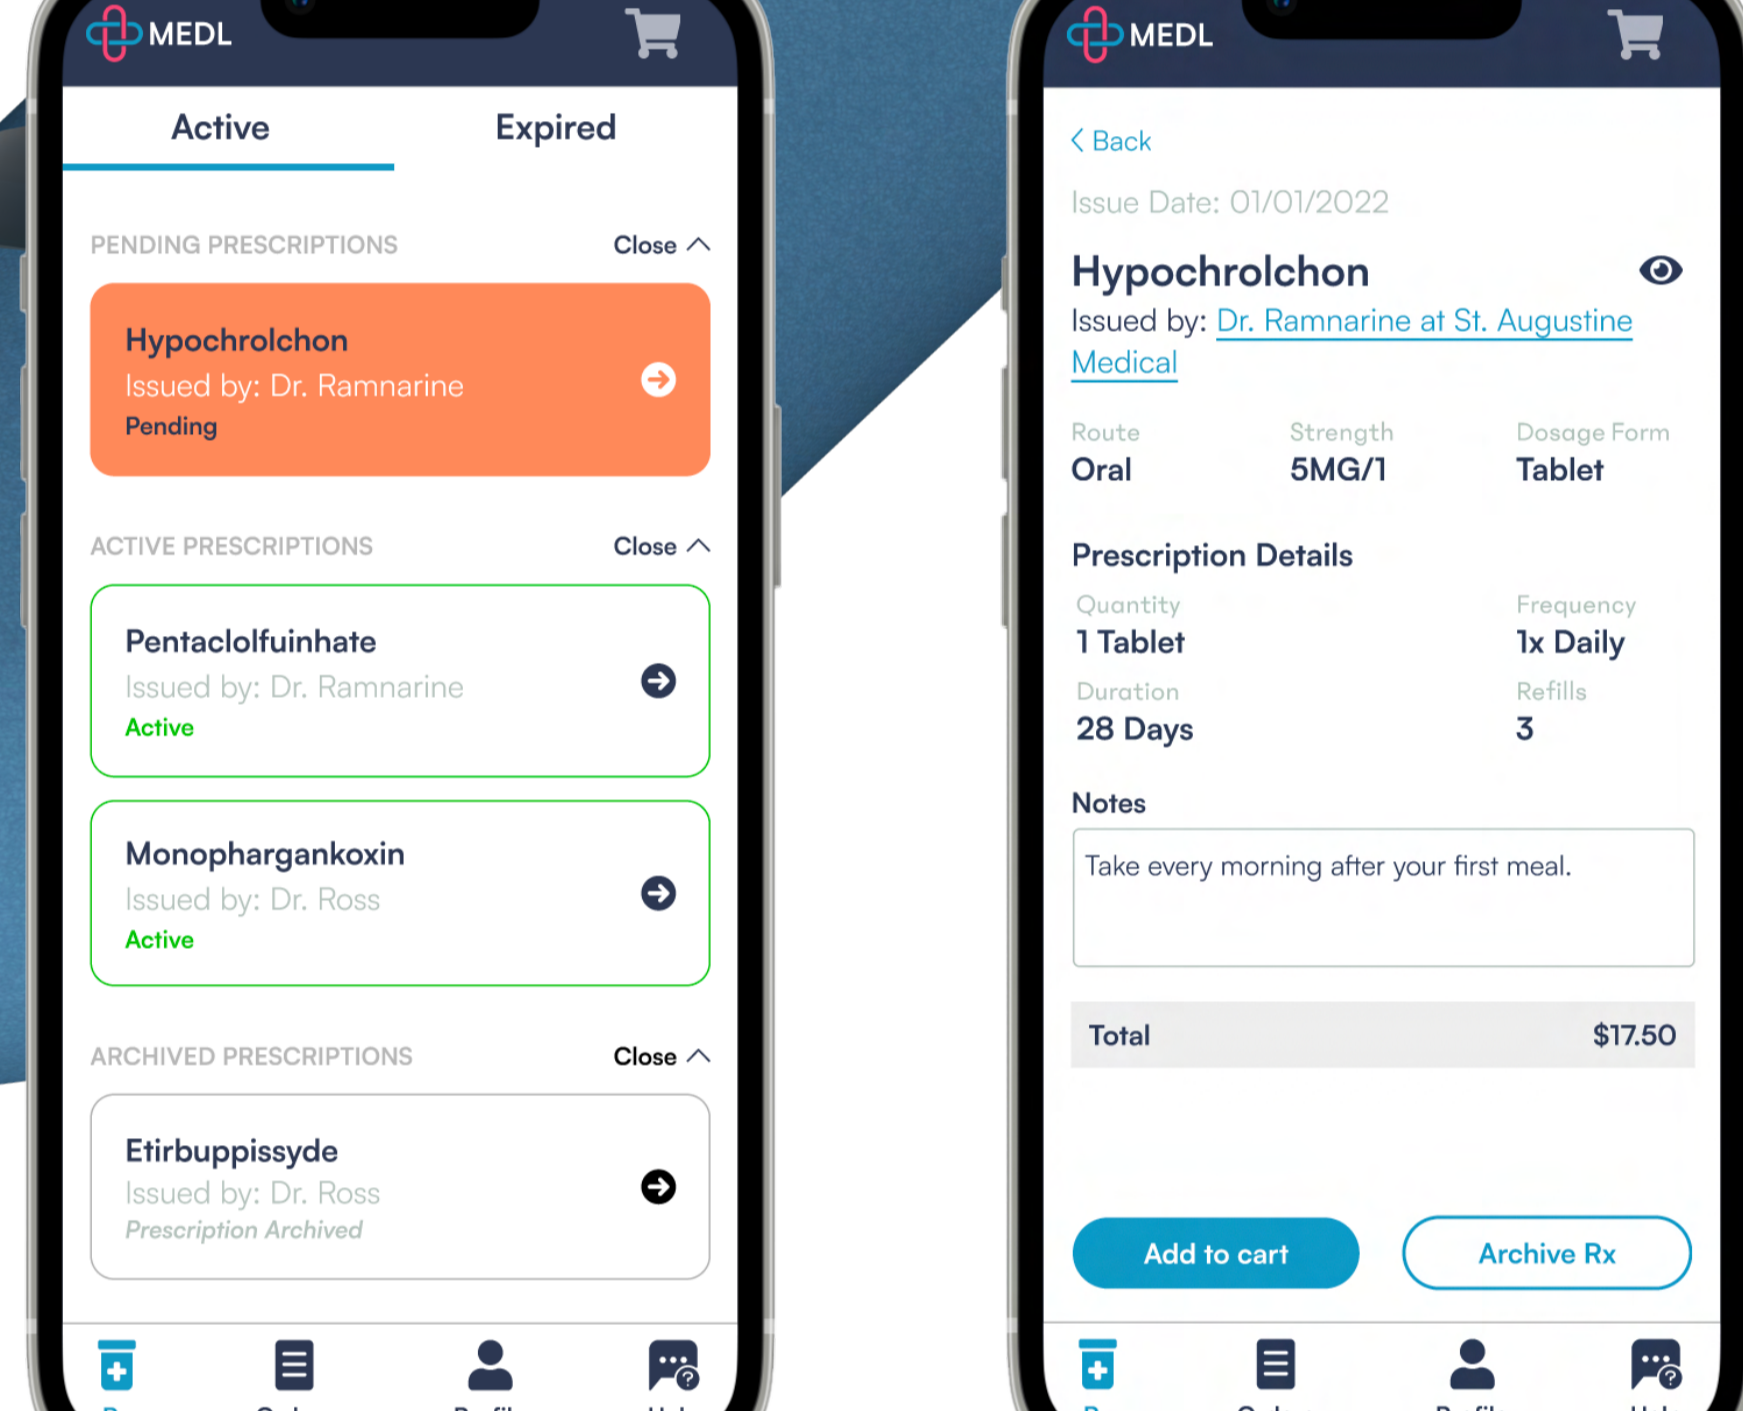

### Forgot password?

If you ever forget your password, tap  
Forgot Password. We will verify your  
account using your mobile number,  
after which you can reset your  
password.

## Menu Bar

At the bottom of the Medl app screen,  
you'll find four icons for **Rx (Prescriptions),  
Orders, Profile and Help.**

## Prescriptions

Tap the Rx icon to:

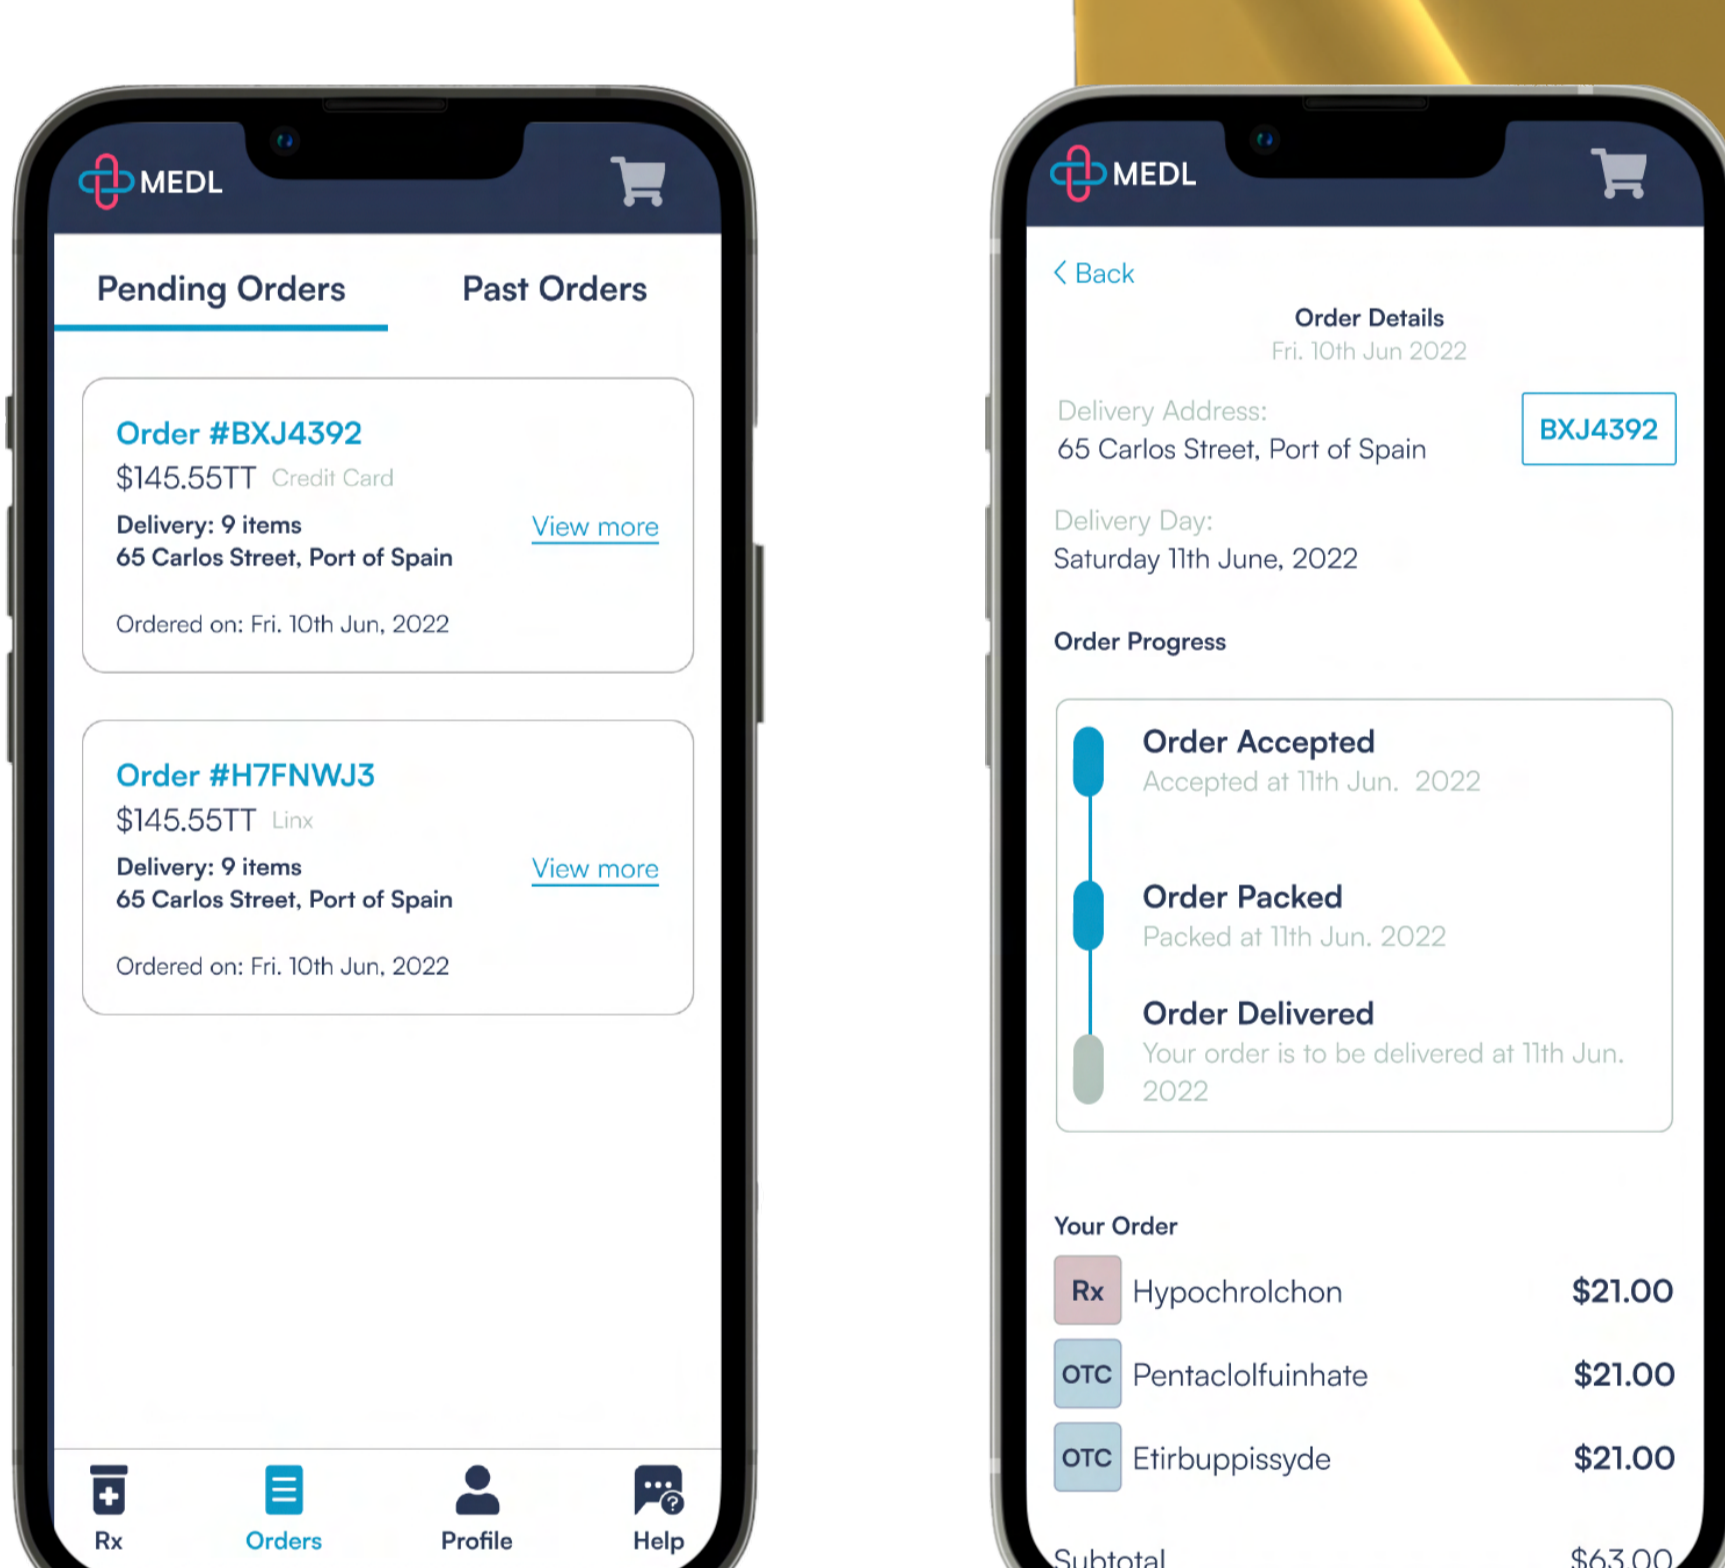

- Accept pending prescriptions from  
your doctor
- View information about your active  
prescriptions
- Refill your prescriptions

## Orders

Tap the Orders icon to:

- Track your pending orders
- View your past orders

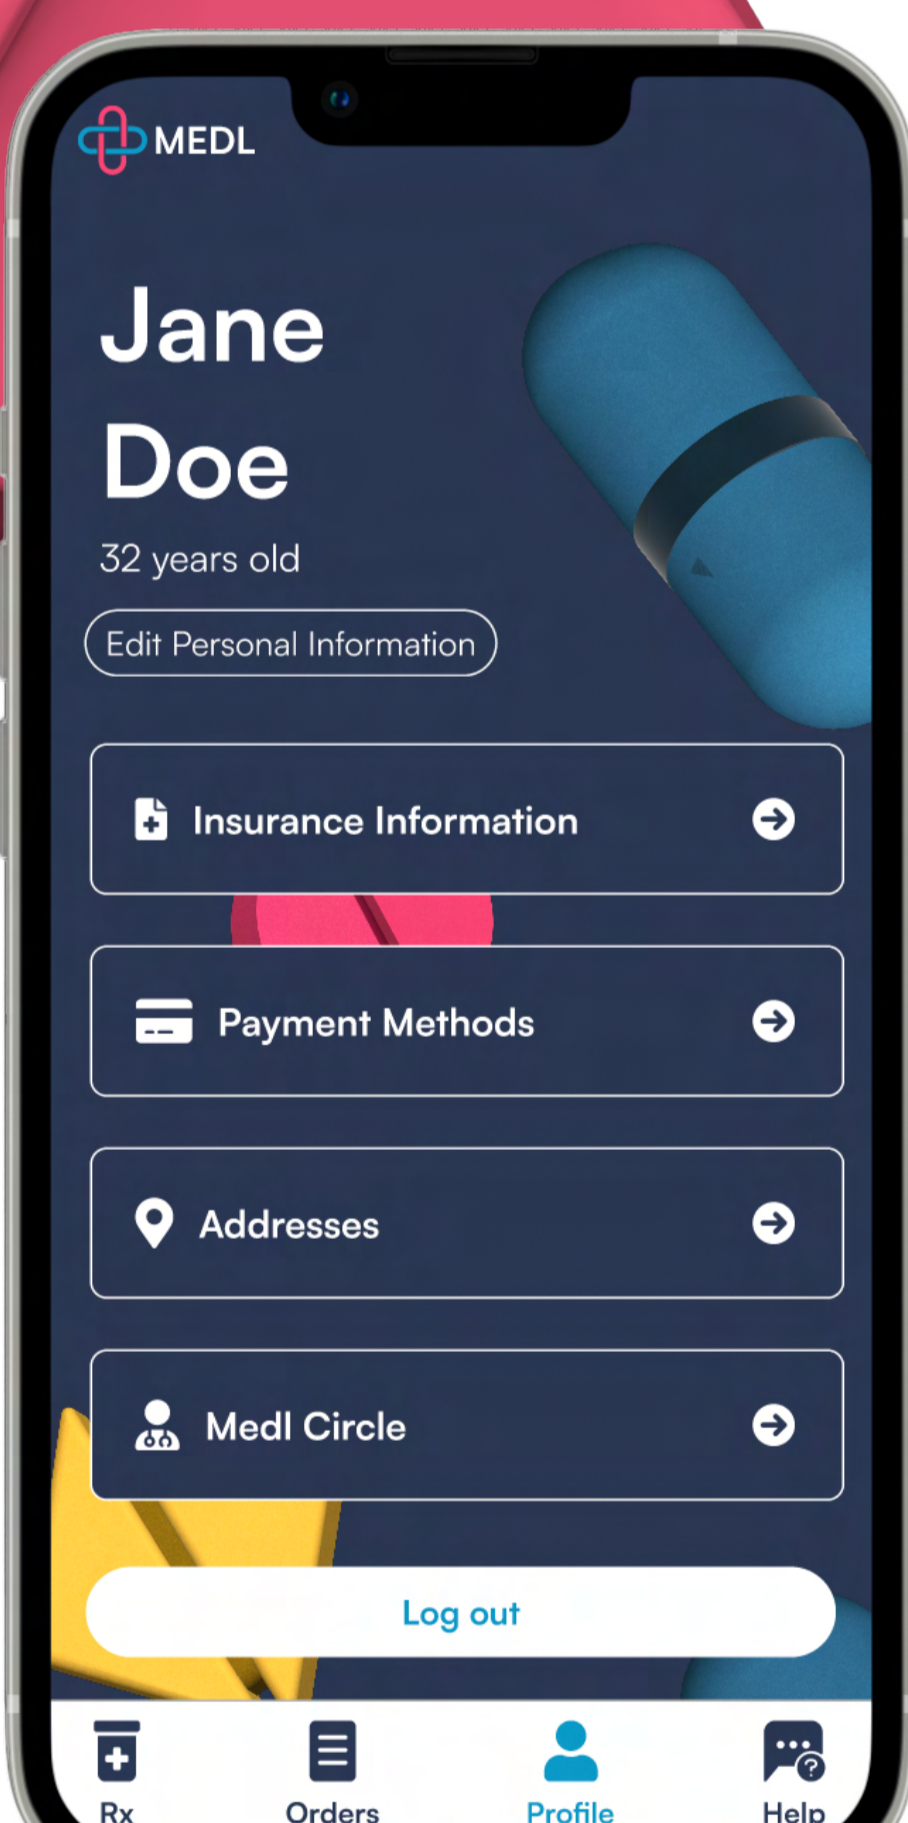

Tap View more to see details of each order.

## Profile

Tap the Profile icon to:

- Manage your insurance information
- Manage your payment methods
- Manage your addresses
- Manage doctor access to your prescription history

## Help

Need a hand? Tap the Help icon to:

- Call Medl Customer Support
- Contact a Medl Doctor
- Troubleshoot technical issues
